

Computer Architecture Lab

(14:332:333)

Class Policy:

- Lab occurs every other week except the week of Nov. 21st. Please see the schedule of the labs below. See the student list in another file.
- Write your report that includes your codes, results, and the conclusions of the assignments.
- Each lab report is due before the start of the next lab of the same group. There is no exception for late submission. Lab report delivering within 48 hours after the due date will result in penalty of 20% of that report. After that, it would be 0.
- No cheating. Two similar lab report will result in penalty of 50% score for both reports.
- Lab report will be submitted through Sakai.
- TA office hours: all office hour is in room EE219
